PROVIDE VALUE

KNOW YOUR AUDIENCE

Benefits: Creates relevant and relatable content.

How to:

1. Research your audience's interests, preferences, and pain points.
2. Tailor your message to address their specific needs and concerns.
3. Use language and examples that resonate with them.

Examples

- What is their age group?
- What is their current occupation?
- What topics are they most interested in?
- How do they prefer to learn new information?
- What are the biggest challenges they are currently facing in their life or career?
- Who or what influences your decisions the most in your personal and professional life?

START WITH A HOOK

Benefits: Grabs attention from the beginning.

How to:

1. Use a compelling story, interesting fact, or provocative question.
2. Make it relevant to your main message.
3. Keep it brief but impactful.

Examples

- Did you know that 80% of people forget most of what they hear in a presentation? Let's change that today.
- What if I told you that everything you know about productivity is wrong?
- Every day you spend not improving your skills is a day wasted.
- Picture this: You're in the middle of a crucial meeting, and suddenly your mind goes blank

TELL STORIES

Benefits: Makes content relatable and memorable.

How to:

1. Share personal anecdotes or relevant case studies.
2. Use vivid details to bring the story to life.
3. Connect the story to your main point.

Examples

- When I first started my career, I faced many challenges. Let me share how overcoming these obstacles shaped my journey.
- Let me take you through a typical day as a remote worker. From managing distractions at home to balancing work and personal life, each day is a unique challenge.
- One of our clients, Lisa, came to us struggling with time management. She felt overwhelmed and was missing deadlines.

USE VISUALS

Benefits: Enhances understanding and retention.

How to:

1. Include images, infographics, and videos.
2. Ensure visuals are high-quality and relevant to your content.
3. Use charts and graphs to simplify complex information.

Examples

- Check out this chart showing the increase in productivity after implementing our new strategy.
- Check out this before and after photo of our office makeover! The transformation is incredible, and it's boosted our team's morale and productivity.
- Understanding the benefits of regular exercise can be overwhelming, but this infographic breaks it down easily.

ENCOURAGE INTERACTION

Benefits: Increases engagement and participation.

How to:

1. Ask questions and encourage comments.
2. Use polls, quizzes, and interactive elements.
3. Respond to your audience's input and feedback.

Examples

- What do you think is the biggest challenge in your industry?
- We want to hear from you! What type of content do you find most valuable?
- Got questions about career growth or skill development?
- Caption this photo for a chance to win a free eBook!

BE AUTHENTIC

Benefits: Builds trust and credibility.

How to:

1. Be genuine and honest in your communication.
2. Share your real experiences, including successes and failures.
3. Show empathy and understanding towards your audience.

Examples

- I've been where you are, and I understand the struggles. Let's work through this together.
- I want to be real with you all today. There are times when I doubt myself and struggle to keep going.
- Reflecting on my journey, I realize how far I've come and how much I've learned along the way.
- I've made mistakes along the way, but each one has taught me valuable lessons.

USE HUMOR

Benefits: Keeps the audience entertained and engaged.

How to:

1. Incorporate light-hearted jokes and anecdotes.
2. Ensure the humor is appropriate for your audience.
3. Use humor to make your content more relatable and enjoyable.

Examples

- If you think public speaking is scary, try doing it with a spider on your shoulder! Just kidding, let's talk about how to overcome that fear.
- When you realize it's only Tuesday... insert funny GIF Who else feels like this week is dragging on?
- Trying to finish work on a Friday afternoon is like trying to fit an elephant into a Smart car – it's not happening!

PROVIDE VALUE

Benefits: Ensures your audience gains something meaningful.

How to:

1. Share practical tips, insights, and actionable advice.
2. Offer solutions to common problems.
3. Deliver content that is useful and relevant.

Examples

- Here are five tips to improve your productivity that you can start using today.
- Want to improve your public speaking skills? Practice these three techniques to enhance your confidence and deliver more impactful presentations.
